

Plenty Socketstrip

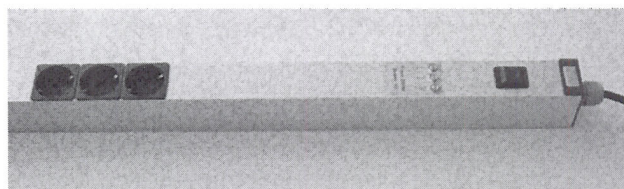

PRODUCT SPECIFICATION

▶ Part number	PLA1130-12MTD
▶ Current rating (A)	16
▶ Voltage rating (VAC)	250
▶ Socket type	Schuko (CEE 7/7)
▶ Number of sockets	12 (4x3)
▶ Socket material	PP, black
▶ Dimensions (LxWxH)	1130 x 44 x 52
▶ Housing material	Aluminium, anodized
▶ Cable type	H05VVF3G1.50mm2
▶ Cable length (m)	2,5
▶ Cable color	Black
▶ Plug	Schuko, angled, moulded
▶ Marking	CE
▶ Control	Lighted Switch, with protective edges

Order mounting brackets separate!

Picture:

Sequence Power Up: 1 second time delay between each group of outlets when power is switched on.

Power-up sequencing prevents an in-rush power overload, which can cause blown out fuses or tripped circuit breakers.

LED status display for each outlet group.
